October 14-15—Fall Foliage at the Winter Clove Inn (Roundtop, NY)

It is here that you can truly experience upstate New York along with the mystique and beauty that has drawn travelers to the Northern Catskills and Hudson Valley for over 200 years. Once you set foot upon the wrap-around porch and walk through the doorway, you're transported to a time where the Colonial ideals of home and family took prominence. Even today, it still feels like home; a place where you can relax and create great memories. Three meals, use of the facilities, walking trails, and beautiful scenery await you. On day #2, we take a luncheon cruise on the Hudson. We finish the tour with a stop at a farmstand.
