THE OFFICIAL NEWSLETTER OF THE ONE IF BY LAND TRAVEL CLUB

VOLUME 6 ISSUE 2  
SPRING/SUMMER 2009

## Stuart's Message

### Happy Spring!

I am in a great mood as I write this letter. The weather is spectacular. Gilda Pavloff from the Bayside Senior Center just told me that our "Grand Day for Singing" trip was beautiful. All is the right with the world!

Many of you have called for this newsletter. I have been taking my time in an effort to find quality trips at an affordable price. I think you will find that to be the case. Everybody tells me that our prices are by the far the best in our area. It is a challenge. But One If By Land is up to the task.

From May through August, you will find a great variety of shows, casinos, Saratoga in racing season, and a Hudson River celebration. There is something for everyone. And the prices are still great.

Finally, Betty & Rocky Faraone's granddaughter, Colleen, has been battling a rare, unidentified ailment for four years. Please keep Colleen in your prayers, as I do. And throw in a plug for strength for Betty & Rocky who are two of the most selfless people on earth.
